Waldorf Hysteria

stand-up comedy special

Angelina Spicer

6 oktober 2025 | 18.30 uur | UPC Duffel

"The Waldorf Hysteria ain't the Instagram version of motherhood—it's the pain, the chaos, and the laugh-your-ass-off truth. Angelina Spicer makes postpartum depression hilarious—exposing the shame, guilt, and motherhood myths we've been sold since the 1950s."
